----- Next To You -----

I can't stand it for another day
When you live so many miles away
Nothing here is gonna make me stay
You took me over, let me find a way

I sold my house
I sold my motor, too
All I want is to be next to you.
I'd rob a bank
Maybe steal a plane
You took me over
Think I'm goin' insane

What can I do
All I want is to be next to you
What can I do
All I want is to be next to you

I've had a thousand girls or maybe more
But I've never felt like this before
But I just don't know what's come over me
You took me over, take a look at me

What can I do
All I want is to be next to you
What can I do
All I want is to be next to you

All I want is to be next to you
All I want is to be next to you
All I want is to be next to you

Saw my doctor he said give it time
Got this feeling, gonna lose my mind
When all it is is just a love affair
You took me over baby, take me there

What can I do
All I want is to be next to you
What can I do
All I want is to be next to you
What can I do
All I want is to be next to you
What can I do
All I want is to be next to you

All I want is to be next to you
All I want is to be next to you
All I want is to be next to you
All I want is to be next to you...

----- So Lonely -----

Well, someone told me yesterday
That when you throw your love away
You act as if you don't care
You look as if you're going somewhere
But I just can't convince myself
I couldn't live with no one else
And I can only play that part
And sit and nurse my broken heart, so lonely
So lonely, so lonely, so lonely
So lonely, so lonely, so lonely
So lonely, so lonely, so lonely
So lonely, so lonely

Now no-one's knocked upon my door
For a thousand years, or more
All made up and nowhere to go
Welcome to this one man show
Just take a seat, they're always free
No surprise, no mystery
In this theatre that I call my soul
I always play the starring role, so lonely
So lonely, so lonely, so lonely
So lonely, so lonely, so lonely
So lonely, so lonely, so lonely
So lonely, so lonely
So lonely
So lonely, so lonely, so lonely
So lonely, so lonely, so lonely
I feel lonely, I'm so lonely, I feel so low
I feel lonely, I'm so lonely, I feel so low

----- Roxanne -----

Roxanne, you don't have to put on the red light
Those days are over
You don't have to sell your body to the night
Roxanne, you don't have to wear that dress tonight
Walk the streets for money
You don't care if it's wrong or if it's right

Roxanne, you don't have to put on the red light
Roxanne, you don't have to put on the red light
Put on the red light, put on the red light
Put on the red light, put on the red light
Put on the red light, oh

I loved you since I knew ya
I wouldn't talk down to ya
I have to tell you just how I feel
I won't share you with another boy
I know my mind is made up
So put away your make up
Told you once I won't tell you again it's a bad way

Roxanne, you don't have to put on the red light
Roxanne, you don't have to put on the red light
You don't have to put on the red light
Put on the red light, put on the red light

----- Hole In My Life -----

Yeah, yeah, yeah
There's a hole in my life
There's a hole in my life

Shadow in my heart
Is tearing me apart
Or maybe it's just something in my stars

There's a hole in my life
There's a hole in my life
Be a happy man
I try the best I can
Or maybe I'm just looking for too much

There's something missing from my life
Cuts me open like a knife
It leaves me vulnerable
I have this disease
I shake like an incurable
God help me, please
Oh, there's a hole in my life
There's a hole in my life
Yeah, yeah, yeah

There's something missing from my life
Cuts me open like a knife
It leaves me vulnerable

I have this disease
I shake like an incurable
God help me, please
Oh, there's a hole in my life
There's a hole in my life

----- Outlandos d'Amour -----
----- Peanuts -----

It's all a game
You're not the same
Your famous name
The price of fame

Oh no, try to liberate me
I said oh no, stay and irritate me
I said oh no, try to elevate me
I said oh no, just a fallen hero

Don't wanna hear about the drugs you're taking
Don't wanna read about the love you're making
Don't wanna hear about the life you're faking
Don't wanna read about the muck they're raking

You sang your song
For much too long
There's something wrong
The [your] brain has gone

Oh no, try to liberate me
I said oh no, stay and irritate me
I said oh no, try to elevate me
I said oh no, just a fallen hero

Don't wanna hear about the drugs you're taking
Don't wanna read about the love you're making
Don't wanna hear about the life you're faking
Don't wanna read about the muck they're raking

It's all a game

----- Can't Stand Losing You -----

I've called you so many times today
And I guess it's all true what your girlfriends say
That you don't ever want to see me again
And your brother's gonna kill me and he's six feet ten
I guess you'd call it cowardice
But I'm not prepared to go on like this

I can't, I can't, I can't stand losing
I can't, I can't, I can't stand losing
I can't, I can't, I can't, I can't stand losing you
I can't stand losing you
I can't stand losing you
I can't stand losing you

I see you sent my letters back
And my L.P. records and they're all scratched
I can't see the point in another day
When nobody listens to a word I say
You can call it lack of confidence
But to carry on living doesn't make no sense

I can't, I can't, I can't stand losing
I can't, I can't, I can't stand losing
I can't, I can't, I can't stand losing
I can't, I can't stand losing you
I can't, I can't, I can't stand losing
I can't, I can't, I can't stand losing

I guess this is our last goodbye
And you don't care, so I won't cry
But you'll be sorry when I'm dead
And all this guilt will be on your head
I guess you'd call it suicide
But I'm too full to swallow my pride
I can't, I can't, I can't stand losing
I can't, I can't...

----- Truth Hits Everybody -----

Sleep lay behind me like a broken ocean
Strange waking dreams before my eyes unfold
You lay there sleeping like an open doorway
I stepped outside myself and felt so cold
Take a look at my new toy
It'll blow your head in two, oh boy

Truth hits everybody, truth hits everyone
Truth hits everybody, truth hits everyone
Truth hits everybody, truth hits everyone

I thought about it and my dream was broken
I clutch at images like dying breath
And I don't want to make a fuss about it
The only certain thing in life is death
Take a look at my new toy
It'll blow your head in two, oh boy
Truth hits everybody, truth hits everyone
Truth hits everybody, truth hits everyone
Truth hits everybody, truth hits everyone

Where you want to be, won't you ever see?

Truth hits everybody, truth hits everyone
Truth hits everybody, truth hits everyone
Truth hits everybody, truth hits everyone
Truth hits everybody, truth hits everyone
Truth hits everybody, truth hits everyone
Truth hits everybody, truth hits everyone

Ah....now!

----- Born In The 50's -----

We were born, born in the fifties
Born, born in the fifties
Born, born in the fifties
Born, born in the fifties

My mother cried
When president Kennedy died
She said it was the communists
But I knew better

Would they drop the bomb on us
While we made love on the beach
We were the class they couldn't teach
'Cause we knew better

We were born, born in the fifties

Born, born in the fifties
Born, born in the fifties
Born, born in the fifties

They screamed
When the Beatles sang
And they laughed when the King fell down the stairs
Oh they should've known better
Oh we hated our Aunts
Then we messed in our pants
Then we lost our faith and prayed to the TV
Oh we should've known better

We were born, born in the fifties
Born, born in the fifties
Born, born in the fifties
Born, born in the fifties

We freeze like statues on the pages of history
Living was never like this when we took all those GCE's
Oh, you opened the door for us
And then you turned to dust
You don't understand us
So don't reprimand us
We're taking the future
We don't need no teacher
Born, born in the fifties
Born, born in the fifties
Born, born in the fifties
Born, born in the fifties
Born, born in the fifties
Born, born in the fifties

----- Be My Girl, Sally -----

Won't you be my girl
Won't you be my girl
Won't you be my, be my, be my girl

Won't you be my girl
Won't you be my girl
Won't you be my, be my, be my girl

Won't you be my girl
Won't you be my girl
Won't you be my, be my, be my girl

Won't you be my girl

Won't you be my girl
Won't you be my, be my, Be my girl

I was blue and lonely,
I couldn't sleep a wink
And I could only get unconscious
If I'd had too much to drink
There was somehow
Something wrong somewhere
And each day
Seemed grey and dead
The seeds of desperation
Were growing in my head
I needed inspiration
A brand new start in life
Somewhere to place affection
But I didn't want a wife

And then by lucky chance
I saw in a special magazine
An ad that was unusual
The like I'd never seen
"Experience something different
With our new imported toy
She's loving, warm, inflatable
And a guarantee of joy."

She came all wrapped in cardboard
All pink and shrivelled down
A breath of air was all she needed
To make her lose that frown
I took her to the bedroom
And pumped her with some life
And later in a moment
That girl became my wife

And so I sit her in the corner
And sometimes stroke her hair
And when I'm feeling naughty
I blow her up with air
She's cuddly and she's bouncy
She's like a rubber ball
I bounce her in the kitchen
And I bounce her in the hall

And now my life is different
Since Sally came my way
I wake up in the morning
And have her on a tray

She's everything they say she was
And I wear a permanent grin
And I only have to worry
In case my girl wears thin

Won't you be my girl, won't you be my girl
Won't you be my, be my, be my girl
Won't you be my girl, won't you be my girl
Won't you be my, be my, be my girl
Won't you be my girl, won't you be my girl
Won't you be my, be my, be my girl

----- Message In A Bottle -----

Just a castaway, an island lost at sea, oh
Another lonely day, with no one here but me, oh
More loneliness than any man could bear
Rescue me before I fall into despair, oh

I'll send an S.O.S. to the world
I'll send an S.O.S. to the world
I hope that someone gets my
I hope that someone gets my
I hope that someone gets my
Message in a bottle, yeah
Message in a bottle, yeah

A year has passed since I wrote my note
But I should have known this right from the start
Only hope can keep me together
Love can mend your life but
Love can break your heart
I'll send an S.O.S. to the world
I'll send an S.O.S. to the world
I hope that someone gets my
I hope that someone gets my
I hope that someone gets my
Message in a bottle, yeah
Message in a bottle, yeah
Message in a bottle, yeah
Message in a bottle, yeah

Walked out this morning, don't believe what I saw

Hundred billion bottles washed up on the shore
Seems I'm not alone at being alone
Hundred billion castaways, looking for a home
I'll send an S.O.S. to the world
I'll send an S.O.S. to the world
I hope that someone gets my
I hope that someone gets my
I hope that someone gets my
Message in a bottle, yeah
Message in a bottle, yeah
Message in a bottle, yeah
Message in a bottle, yeah

Sending out at an S.O.S.
Sending out at an S.O.S.
Sending out at an S.O.S.
Sending out at an S.O.S.
Sending out at an S.O.S.
Sending out at an S.O.S...

----- It's Alright For You -----

Wake up
Make up
Bring it up
Shake up
Stand by
Don't cry
Watching while the world dies

Big car
Movie star
Hot tip
Go far
Blind date
Too late

Take a bus
Don't wait

It's alright for you
It's alright for you
It's alright for you
For you and you and you and you and you

It's alright for you
It's alright for you
It's alright for you
For you and you and you

Limp wrist
Tight fist
Contact
No twist
Black dress
No mess
People want no less, no less

Stand by
Don't cry
Watching while the world dies
Three lane
Fast lane
Standing in the cold rain

It's alright for you
It's alright for you
It's alright for you
For you and you and you and you and you

It's alright for you
It's alright for you
It's alright for you
For you

Headlight
High life
Can't sleep
Good night
Up tight
Big fight
Big deal
Too right, too right

Big town
Don't drown

Jump back
Turn around
No life
Flick knife
Finish off my life

It's alright for you
It's alright for you
It's alright for you
For you and you and you and you and you

It's alright for you
It's alright for you
It's alright for you
For you

----- Bring On The Night -----

The afternoon has gently passed me by
The evening spreads itself against the sky
Waiting for tomorrow, just another day
God bid yesterday good-bye

Bring on the night
I couldn't spend another hour of daylight
Bring on the night
I couldn't stand another hour of daylight

The future is but a question mark
Hangs above my head, there in the dark
Can't see for the brightness is staring me blind
God bid yesterday good-bye

Bring on the night
I couldn't spend another hour of daylight
Bring on the night
I couldn't stand another hour of daylight

I couldn't spend another hour of daylight
I couldn't stand another hour of daylight

----- Deathwish -----

Deathwish in the fading light
Headlight pointing through the night
Never thought I'd see the day
Playing with my life this way

Gotta keep my foot right down
If I had wings I'd leave the ground
Burning in the outside lane
People think that I'm insane (insane)

The day I take a bend too fast
Judgement that could be my last
I'll be wiped right off the slate
Don't wait up 'cause I'll be late

I'll be late...

----- Walking On The Moon -----

Giant steps are what you take
Walking on the moon
I hope my legs don't break
Walking on the moon
We could walk for ever
Walking on the moon
We could live together
Walking on, walking on the moon

Walking back from your house
Walking on the moon
Walking back from your house
Walking on the moon
Feet they hardly touch the ground
Walking on the moon
My feet don't hardly make no sound
Walking on, walking on the moon

Some may say
I'm wishing my days away, no way
And if it's the price I pay, some say
Tomorrow's another day, you'll stay
I may as well play

Giant steps are what you take
Walking on the moon
I hope my legs don't break
Walking on the moon
We could walk for ever
Walking on the moon
We could be together
Walking on, walking on the moon

----- Reggatta de Blanc -----
----- On Any Other Day -----

The other ones are complete bullshit

You want something corny?
You got it

There's a house on my street
And it looks real neat
I'm the chap who lives in it
There's a tree on the sidewalk
There's a car by the door
I'll go for a drive in it
And when the wombat comes
He will find me gone
He'll look for a place to sit

My wife has burned the scrambled eggs
The dog just bit my leg
My teenage daughter ran away
My fine young son has turned out gay

Cut off my fingers in the door of my car
How could I do it?
My wife is proud to tell me
Of her love affairs
How could she do this to me?

My wife has burned the scrambled eggs
The dog just bit my leg
My teenage daughter ran away
My fine young son has turned out gay
And it would be O.K. on any other day
And it would be O.K. on any other day

Throw down the morning papers
And spill my tea
I don't know what's wrong with me
The cups and plates are in a conspiracy
I'm covered in misery

My wife has burned the scrambled eggs

The dog just bit my leg
My teenage daughter ran away
My fine young son has turned out gay
And it would be O.K. on any other day
And it would be O.K. on any other day
And it would be O.K. on any other day
And it would be O.K. on any other day

Bed's too big without you
Cold wind blows right through my open door
I can't sleep with your memory
Dreaming dreams of what used to be
When she left I was cold inside
That look on my face was just pride
No regrets, no love, no tears
Living on my own was the least of my fears

Bed's too big without you
The bed's too big without you
The bed's too big without you

Since that day when you'd gone
Just had to carry on
I get through the day, but late at night
Made love to my pillow, but it didn't feel right

Every day just the same
Old rules for the same old game
All I gained was heartache
All I made was one mistake
Now the bed's too big without you
The bed's too big without you
The bed's too big without you

----- Does Everyone Stare -----

I change my clothes ten times
Before I take you on a date
I'm in a cold sweat, my panic it makes me late
I know you never asked for this
I know
My shots will always miss
My shots will always miss

Does everyone stare this way at you?
I only look this way at you

I change my clothes ten times
Before I take you on a date
I get the heebie-jeebies, and my panic makes me late
I break into a cold sweat reaching for the phone
I let it ring twice before
I chicken out and decide you're not at home

Does everyone stare the way I do?
I only stare this way at you

I never noticed the size of my feet
'Til I kicked you in the shins
Will you ever forgive me for the shape I'm in
For the shape I'm in

Does everyone stare the way I do?
I only stare this way at you

I'm gonna write you a sonnet but I don't know where to start
I'm so used to laughing at the things in my heart
Last of all I'm sorry 'cos you never asked for this
I can see I'm not your type and my shots will always miss, always miss

Does everyone stare the way I do?
I only stare this way at you
Does everyone stare the way I do?
I only stare this way at you
Does everyone stare the way I do?
I only stare this way at you
Does everyone stare the way I do?

No time for complexities of conversation
No time for smiles, no time for knowing
No time for intricacies of explanation
No time for sharing even less for showing

If I could, I'd slow the whole world down
I'd bring it to it's knees
I'd stop it spinning round
But as it is, I'm climbing up an endless wall

No time at all
No time this time
No time at all
No time this time

No time for a quick kiss at the railway station
No time for a suitcase, sandwich and a morning paper
Only time for time table calls and transportation
No time to think no time to dare

If I could, I'd slow the whole world down
I'd bring it to it's knees
I'd stop it spinning round
But as it is, I'm climbing up an endless wall

No time at all

----- Don't Stand So Close To Me -----

Young teacher the subject
Of schoolgirl fantasy
She wants him so badly
Knows what she wants to be
Inside her there's longing
This girl's an open page
Book marking - she's so close now
This girl is half his age

Don't stand, don't stand so
Don't stand so close to me
Don't stand, don't stand so
Don't stand so close to me

Her friends are so jealous
You know how bad girls get
Sometimes it's not so easy
To be the teacher's pet
Temptation, frustration
So bad it makes him cry
Wet bus stop, she's waiting
His car is warm and dry

Don't stand, don't stand so
Don't stand so close to me
Don't stand, don't stand so
Don't stand so close to me

Loose talk in the classroom
To hurt they try and try
Strong words in the staff room
The accusations fly
It's no use, he sees her
He starts to shake and cough
Just like the old man in
That book by Nabakov

Don't stand, don't stand so
Don't stand so close to me
Don't stand, don't stand so
Don't stand so close to me
Don't stand, don't stand so
Don't stand so close to me

----- Driven To Tears -----

How can you say that your not responsible?
What does it have to do with me?
What is my reaction?
What should it be?
Confronted by this latest atrocity
Driven to tears
Driven to tears
Driven to tears

Hide my face in my hands, shame wells in my throat
My comfortable existence is reduced
To a shallow, meaningless party
Seems that when some innocents die
All we can offer them is a page in a some magazine
Too many cameras and not enough food
'Cause this is what we've seen
Driven to tears
Driven to tears
Driven to tears

Protest is futile
Nothing seems to get through
What's to become of our world?
Who knows what to do?
Driven to tears
Driven to tears
Driven to tears
Driven to tears
Driven to tears
Driven to tears

----- When The World Is Running Down -----

Turn on my V.C.R., same one I've had for years
James Brown on the T.A.M.I. show,
Same tape I've had for years
I sit in my old car, same one I've had for years
Old battery's running down, it ran for years and years

Turn on the radio, the static hurts my ears
Tell me, where would I go? I ain't been out in years
Turn on the stereo, it's played for years and years
An Otis Redding song, it's all I own

When the world is running down
You make the best of what's still around
When the world is running down

You make the best of what's still around

Plug in my M.C.I, to excercise my brain
Make records on my own, can't go out in the rain
Pick up the telephone, I've listened here for years
No one to talk to me, I've listened here for years

When the world is running down
You make the best of what's still around
When the world is running down
You make the best of what's still around
When I feel lonely here, don't waste my time with tears
I run 'Deep Throat' again, it ran for years and years
Don't like the food I eat, the cans are running out
Same food for years and years, I hate the food I eat

When the world is running down
You make the best of what's still around
When the world is running down
You make the best of what's still around
When the world is running down
You make the best of what's still around
When the world is running down
You make the best of what's still around

----- Canary In A Coalmine -----

First to fall over when the atmosphere
is less than perfect
Your sensibilities are shaken by the slightest defect
You live you life like a canary in a coalmine
You get so dizzy even walking in a straight line

You say you want to spend the winter in Firenze
You're so afraid to catch a dose of influenza
You live your life like a canary in a coalmine
You get so dizzy even walking in a straight line

Canary in a coalmine
Canary in a coalmine
Canary in a coalmine

Now if I tell you that you suffer from delusions
You pay your analyst to reach the same conclusions
You live your life like a canary in a coalmine
You get so dizzy even walking in a straight line

Canary in a coalmine

Canary in a coalmine
Canary in a coalmine

First to fall over when the atmosphere is less than perfect
Your sensibilities are shaken by the slightest defect
You live your life like a canary in a coalmine
You get so dizzy even walking in a straight line
Canary in a coalmine
Canary in a coalmine
Canary in a coalmine
Canary in a coalmine
Canary in a coalmine

----- Bombs Away -----

The general scratches his belly and thinks
His pay is good but his officers stink
Guerilla girl, hard and sweet
A military man would love to meet
The President looks in the mirror and speaks
His shirts are clean but his country reeks
Unpaid bills, in Afghanistan hills

Bombs away
But we're O.K.
Bombs away
In old Bombay

The general only wants to teach France to dance
His army life doesn't give him any romance
Guerilla girl, hard and sweet
A military man would love to meet
The general scratches his belly and thinks
His pay is good but his company stinks
Guerilla girl, hard and sweet

A military man would love to meet

Bombs away
But we're O.K.
Bombs away
In old Bombay
Bombs away
But we're O.K.
Bombs away
In old Bombay
Bombs away
But we're O.K.
Bombs away
In old Bombay
Bombs away
But we're O.K.
Bombs away

----- De Do Do Do, De Da Da Da -----

Don't think me unkind
Words are hard to find
They're only cheques I've left unsigned
From the banks of chaos in my mind
And when their eloquence escapes me
Their logic ties me up and rapes me

De do do do, de da da da
Is all I want to say to you
De do do do, de da da da
Their innocence will pull me through
De do do do, de da da da
Is all I want to say to you
De do do do, de da da da
They're meaningless and all that's true

Poets, priests and politicians
Have words to thank for their positions
Words that scream for your submission
And no-one's jamming their transmission
And when their eloquence escapes you
Their logic ties you up and rapes you

De do do do, de da da da
Is all I want to say to you
De do do do, de da da da
Their innocence will pull me through

De do do do, de da da da
Is all I want to say to you
De do do do, de da da da
They're meaningless and all that's true

De do do do, de da da da
Is all I want to say to you
De do do do, de da da da
Their innocence will pull me through

----- Man In A Suitcase -----

I'd invite you back to my place
It's only mine because it holds my suitcase
It looks like home to me alright
But it's a hundred miles from yesterday night

Must I be the man in a suitcase
Is it me, the man with the stranger's face
Must I be the man in a suitcase
Is it me, the man with the stranger's face

Another key for my collection
For security I race for my connection
Bird in a flying cage you'll never get to know me well
The world's my oyster, a hotel room's a prison cell

Must I be the man in a suitcase
Is it me, the man with the stranger's face
Must I be the man in a suitcase
Is it me, the man with the stranger's face

I'd invite you back to my place
It's only mine because it holds my suitcase
It looks like home to me alright
But it's a hundred miles from yesterday night

Must I be the man in a suitcase

----- Shadows In The Rain -----

I woke up in my clothes again this morning
I don't know exactly where I am
And I should heed my doctor's warning
He does the best with me he can
He claims I suffer from delusion
But I'm so confident I'm sane
It can't be an optical illusion
So how can you explain
Shadows in the rain

And if you see us on the corner
We're just dancing in the rain
I tell my friends there when I see them
Outside my window pane
Shadows in the rain

----- Spirits In The Material World -----

There is no political solution
To our troubled evolution
Have no faith in constitution
There is no bloody revolution

We are spirits in the material world
Are spirits in the material world
Are spirits in the material world
Are spirits in the material world

Our so-called leaders speak
With words they try to jail you
The subjugate the meek

But it's the rhetoric of failure
We are spirits in the material world
Are spirits in the material world
Are spirits in the material world
Are spirits in the material world

Where does the answer lie?
Living from day to day
If it's something we can't buy
There must be another way

We are spirits in the material world
Are spirits in the material world
Are spirits in the material world
Are spirits in the material world

----- Every Little Thing She Does Is Magic -----

Though I've tried before to tell her
Of the feelings I have for her in my heart
Every time that I come near her
I just lose my nerve as I've done from the start

Every little thing she does is magic
Everything she do just turns me on
Even though my life before was tragic
Now I know my love for her goes on

Do I have to tell the story
Of a thousand rainy days since we first met
It's a big enough umbrella
But it's always me that ends up getting wet

Every little thing she does is magic
Everything she do just turns me on
Even though my life before was tragic
Now I know my love for her goes on

I resolved to call her up
A thousand times a day
And ask her if she'll marry me
In some old fashioned way
But my silent fears have gripped me
Long before I reach the phone
Long before my tongue has tripped me
Must I always be alone?

Every little thing she does is magic

Everything she do just turns me on
Even though my life before was tragic
Now I know my love for her goes on
Every little thing she does is magic
Everything she do just turns me on
Even though my life before was tragic
Now I know my love for her goes on
Oh yeah, oh yeah, oh, yeah
Every little thing, every little thing
Every little thing, every little thing
Every li'le, every li'le, every li'le
Every little thing she does
Every little thing, every little thing
Every little thing, every little thing
Every li'le, every li'le, every li'le
Every little thing she does

----- Invisible Sun -----

I don't want to spend the rest of my life
Looking at the barrel of an Armalite
I don't want to spend the rest of my days
Keeping out of trouble like the soldiers say
I don't want to spend my time in hell
Looking at the walls of a prison cell
I don't ever want to play the part
Of a statistic on a government chart

There has to be an invisible sun
It gives its heat to everyone
There has to be an invisible sun
That gives us hope when the whole day's done

It's dark all day, and it glows all night
Factory smoke and acetylene light
I face the day with me head caved in
Looking like something that the cat brought in

There has to be an invisible sun
It gives its heat to everyone
There has to be an invisible sun
That gives us hope when the whole day's done

And they're only going to change this place by
Killing everybody in the human race
And they would kill me for a cigarette
But I don't even wanna die just yet

There has to be an invisible sun
It gives its heat to everyone
There has to be an invisible sun
It gives us hope when the whole day's done

----- Hungry For You (j'aurai toujours faim de toi) -----

Nothing to sleep tonight
I want you
Until I'm dry
But our bodies are all wet
Completely covered in sweat
We are drowning in the tide
I have no desire
You ravaged my heart
And I drank your blood

But we can do whatever we want
I would always be hungry for you
But we can do whatever we want
I would always be hungry for you

Everyone is mine
I won it in a card game
And now I don't care
It was won too easily
This is it then my beautiful traitor
I must burn with jealousy
You ravaged my heart
And I drank your blood

But we can do whatever we want
I would always be hungry for you
But we can do whatever we want
I would always be hungry for you
But we can do whatever we want
I would always be hungry for you
But we can do whatever we want
I would always be hungry for you

Oh! Demolition, demolition
Demolition, demolition
Tied to the tracks and the train's fast coming
Strapped to the wing with the engine running
You say that this wasn't in your plan
And don't mess around with the demolition man

Tied to a chair, and the bomb is ticking
This situation was not of your picking
You say that this wasn't in your plan
And don't mess around with the demolition man

I'm a walking nightmare, an arsenal of doom
I kill conversation as I walk into the room
I'm a three line whip, I'm the sort of thing they ban
I'm a walking disaster, I'm a demolition man
Demolition, demolition
Demolition, demolition

You come to me like a moth to the flame
It's love you need but I don't play that game
'Cause you could be my greatest fan
But I'm nobody's friend, I'm a demolition man

I'm a walking nightmare, an arsenal of doom
I kill conversation as I walk into the room
I'm a three line whip, I'm the sort of thing they ban
I'm a walking disaster, I'm a demolition man

----- Rehumanize Yourself -----

He goes out at night with his big boots on
None of his friends know right from wrong
They kick a boy to death 'cause he don't belong
You've got to humanize yourself

A policeman put on his uniform
He'd like to have a gun just to keep him warm
Because violence here is a social norm
You've got to humanize yourself

Re-humanize yourself
Re-humanize yourself
Re-humanize yourself
Re-humanize yourself

I work all day at the factory
I'm building a machine that's not for me
There must be a reason that I can't see
You've got to humanize yourself

Billy's joined the National Front
He always was (just) a little runt
He's got his hand in the air with the other cunts
You've got to humanize yourself
Re-humanize yourself
Re-humanize yourself
Re-humanize yourself
Re-humanize yourself

I work all day at the factory

----- One World (Not Three) -----

One world is enough, for all of us
One world is enough, for all of us

It's a subject we rarely mention
But when we do we have this little invention
By pretending they're a different world from me
I show my responsibility
One world is enough, for all of us
One world is enough, for all of us

The third world breathes our air tomorrow
We live on the time we borrow
In our world there's no time for sorrow
In their world there is no tomorrow
One world is enough, for all of us
One world is enough, for all of us

Lines are drawn upon the world
Before we get our flags unfurled
Whichever one we pick
It's just a self deluding trick
One world is enough, for all of us
One world is enough, for all of us

I don't want to bring a sour note
Remember this before you vote
We can all sink or we all float
'Cause we're all in the same big boat
One world is enough for all of us
One world is enough for all of us
One world is enough for all of us
One world is enough for all of us
It may seem a million miles away
But it gets a little closer everyday
It may seem a million miles away
But it gets a little closer everyday

The night came down, jungle sounds were in my ears
City screams are all I've heard in twenty years
The razor's edge of night it cuts into my sleep

I sit upon the edge now shall I make that leap?

I'm the Omegaman
I'm the Omegaman

The sky's alive with turned on television sets
I walk the streets and seek another vision yet
The echo makes me turn to see that last frontier
The edge of time closes down as I disappear

I'm the Omegaman
I'm the Omegaman
I'm the Omegaman
I'm the Omegaman
Always talking to myself

The time that's best is when surroundings fade away
The presence of another world comes close to me
It's time for me to throw away this paper knife
I'm not alone in reaching for a perfect life

I'm the Omegaman
I'm the Omegaman
I'm the Omegaman
I'm the Omegaman

I'm so tired
Of the Omegaman
I'm so tired

----- Secret Journey -----

Upon a secret journey
I met a holy man
His blindness was his wisdom
I'm such a lonely man

And as the world was turning
It rolled itself in pain
This does not seem to touch you
He pointed to the rain

You will see light in the darkness
You will make some sense of this
And when you've made your secret journey
You will find this love you miss

And on the days that followed
I listened to his words
I strained to understand him
I chased his thoughts like birds

You will see light in the darkness
You will make some sense of this
And when you've made your secret journey
You will find this love you miss

You will see light in the darkness
You will make some sense of this
You will see joy in this sadness
You will find this love you miss

And when you've made your secret journey
You will be a holy man
And when you've made your secret journey
You will be a holy man
And when you've made your secret journey
You will be a holy man
And when you've made your secret journey

I can dream up schemes when I'm sitting in my seat
I don't see any flaws 'til I get to my feet
I wish I never woke up this morning
Life was easy when it was boring

I could make a mark if it weren't so dark
I could be replaced by any bright spark
But darkness makes me fumble
For a key, to a door that's wide open

Instead of worrying about my clothes
I could be someone that nobody knows
I wish I never woke up this morning
Life was easy when it was boring

I can dream up schemes when I'm sitting in my seat

I don't see any flaws 'til I get to my feet
I wish I never woke up this morning

Lord of all that you could see
Just a little bit like me

Walking in your footsteps
Walking in your footsteps
Walking in your footsteps
Walking in your footsteps

Hey Mr. Dinosaur
You really couldn't ask for more
You were God's favourite creature
But you didn't have a future

Walking in your footsteps
Walking in your footsteps
Walking in your footsteps
Walking in your footsteps

Hey mighty brontosaurus
Don't you have a message for us
You thought your rule would always last
There were no lessons in your past
You were built three storeys high
They say you would not hurt a fly
If we explode the atom bomb
Would they say that we were dumb?

Walking in your footsteps
Walking in your footsteps
Walking in your footsteps
Walking in your footsteps

Fifty million years ago
They walked upon the planet so
They live in a museum
It's the only place you'll see 'em

Walking in your footsteps
Walking in your footsteps

They say the meek shall inherit the earth
They say the meek shall inherit the earth

Walking in your footsteps

Everyone I know is lonely
And God's so far away
And my heart belongs to no one,
So now sometimes I pray
Please take the space between us
And fill it up some way
Take the space between us
And fill it up some way

O my God you take the biscuit
Treating me this way
Expecting me to treat you well
No matter what you say
How can I turn the other cheek
It's black and bruised and torn
I've been waiting
Since the day that I was born

Take the space between us
And fill it up some way
Take the space between us
And fill it up some way

The fat man in his garden
The thin man at his gate
My God you must be sleeping
Wake up it's much too late

Take the space between us
And fill it up some way
Take the space between us
And fill it up some way

Do I have to tell the story
Of a thousand rainy days
Since we first met?
It's a big enough umbrella
But it's always me that ends up getting wet

----- Synchronicity II -----

Another suburban family morning
Grandmother screaming at the wall
We have to shout above the din of our Rice Crispies
We can't hear anything at all
Mother chants her litany of boredom and frustration
But we know all her suicides are fake
Daddy only stares into the distance
There's only so much more that he can take
Many miles away
Something crawls from the slime
At the bottom of a dark Scottish lake

Another industrial ugly morning
The factory belches filth into the sky
He walks unhindered through the picket lines today
He doesn't think to wonder why
The secretaries pout and preen like
cheap tarts in a red light street
But all he ever thinks to do is watch
And every single meeting with his so-called superior
Is a humiliating kick in the crotch
Many miles away
Something crawls to the surface
Of a dark Scottish lake

Another working day has ended
Only the rush hour hell to face
Packed like lemmings into shiny metal boxes
Contestants in a suicidal race
Daddy grips the wheel and stares alone into the distance
He knows that something somewhere has to break

He sees the family home now looming in the headlights
The pain upstairs that makes his eyeballs ache
Many miles away
There's a shadow on the door
Of a cottage on the shore
Of a dark Scottish lake
Many miles away, many miles away

Since you've gone I've been lost without a trace

There's a little black spot on the sun today
It's the same old thing as yesterday
There's a black hat caught in a high tree top
There's a flag-pole rag and the wind won't stop

I have stood here before inside the pouring rain
With the world turning circles running 'round my brain
I guess I'm always hoping that you'll end this reign
But it's my destiny to be the king of pain
There's a little black spot on the sun today

Turned into a shining band of gold

Mephistopheles is not your name
But I know what you're up to just the same
I will listen hard to your tuition
And you will see it come to it's fruition

I'll be wrapped around your finger
I'll be wrapped around your finger

Devil and the deep blue sea behind me
Vanish in the air, you'll never find me
I will turn your face to alabaster
Then you'll find your servant is your master

You'll be wrapped around my finger
You'll be wrapped around my finger

As if our minds are deranged
Please don't ask us why
Beneath the sheltering sky
We have this strange obsession
You have the means in your possession

We want our tea in the Sahara with you
We want our tea in the Sahara with you

The young man agreed
He would satisfy their need
So they danced for his pleasure
With a joy you could not measure
They would wait for him here
The same place every year
Beneath the sheltering sky
Across the desert he would fly

Tea in the Sahara with you
Tea in the Sahara with you

The sky turned to black
Would he ever come back?
They would climb a high dune
They would pray to the moon
But he'd never return
So the sisters would burn
As their eyes searched the land
With their cups full of sand

Tea in the Sahara with you
Tea in the Sahara with you
Tea in the Sahara with you
Tea in the Sahara with you

----- Synchronicity -----
----- Murder By Numbers -----

Once that you've decided on a killing
First you make a stone of your heart
And if you find that your hands are still willing
Then you can turn a murder into art

There really isn't any need for bloodshed
You just do it with a little more finesse

If you can slip a tablet into someone's coffee
Then it avoids an awful lot of mess

It's murder by numbers, one, two, three
It's as easy to learn as your ABC
Murder by numbers, one, two, three
It's as easy to learn as your ABC

Now if you have a taste for this experience
And you're flushed with your very first success
Then you must try a twosome or a threesome
And you'll find your conscience bothers you much less

Because murder is like anything you take to
It's a habit-forming need for more and more
You can bump off every member of your family
And anybody else you find a bore

Because it's murder by numbers, one, two, three
It's as easy to learn as your ABC
Murder by numbers, one, two, three
It's as easy to learn as your ABC

Now you can join the ranks of the illustrious
In history's great dark hall of fame
All our greatest killers were industrious
At least the ones that we all know by name

But you can reach the top of your profession
If you become the leader of the land
For murder is the sport of the elected
And you don't need to lift a finger of your hand

Because it's murder by numbers, one, two, three
It's as easy to learn as your ABC
Murder by numbers, one, two, three
It's as easy to learn as your A, B, C, D, E
